It has been extended over the years to provide a total of 20 letting rooms. Entrance is through the main doors into the reception area. To the left on entry is a guest lounge, bar area and conservatory with stunning views. This bright, spacious room has large windows overlooking the front of the property and can easily accommodate 50+ covers. It has its own wine servery with access to the kitchen and other back of house areas to the rear of the property. All the public areas have been decorated to make guests feel relaxed by offering them a traditional, yet contemporary, Scottish Highland welcome. There is free guest Wi-Fi throughout the Hotel.
