Situation

Kingussie is situated in the heart of Highland Scotland and enjoys being both within the Cairngorm National Park and next to the picturesque River Spey. Unsurprisingly the area is particularly attractive with a great deal of outdoor pursuits easily accessible from the Hotel. Given the location, walking, cycling, photography, and snow sports are all popular activities. The locality is also well known for its wealth of wildlife with many rare birds and animals easily spotted nearby. Sutherlands Guest House is very well positioned centrally for onward journeys to the North Coast 500, Orkney, or the West Coast whilst nearby in the town guests can enjoy a number of dining and entertainment facilities. Primary and Secondary schools are located within 10 minutes' walk. The A9 and mainline railway station both mean the town is very easily accessible and Edinburgh can be reached by car in approximately 2 hours whilst Inverness can be reached easily in under an hour.

The Business

Sutherlands Guest House is an exceptionally well performing business that benefits from excellent reviews and much repeat trade. The business is operated in a style to suit the current owners and is open from February through to November. The peak trading period is between June to September when occupancy levels can reach close to 100%. All rooms are double, and prices range from £115 to £145 per night. Advertising is via their own website, booking.com and TripAdvisor. Sutherlands benefits from excellent online reviews. The business could be expanded to serve evening meals, obtain an alcohol license, and open to non-residents.

There is also an increasing demand for luxury self-catering accommodation which Sutherlands could quite easily provide and would be capable of achieving substantial weekly income.
